When you arrive on parade day one person from your group will need to report to the registration table to pick up your group's number; this number must be carried in the parade or affixed to a parade vehicle for identification purposes.

For safety reason, please note that the throwing of objects from parade floats is prohibited.

All parade participants are asked to:

- Be **CREATIVE** in your entry! This year's parade will include **AWARDS**
- Be **FESTIVE!** Make **NOISE!** This is a **CELEBRATION!**
- Do **NOT** throw items from moving vehicles, only walkers should distribute items.
- Pace your **GIVEAWAYS** and since there are more spectators near the end of the route- please plan accordingly
- Utilize the brief (30 seconds) throughout the route.

At the designated parade end, all participants must enter the area, and proceed to the directed location. Please review this information and follow the instructions of parade volunteers and law enforcement officials, so we can keep the parade moving.

Festivities at the Eugene P. Tashquinth Livestock Complex immediately following the parade include: an award presentation at 2pm on the main stage (we hope each group will have a representative present); entertainment; games; rodeo; pow wow; and the carnival.

Thank you for your interest and we appreciate your participation.
