DEPARTMENT: TON HC/Medical Imaging

JOB LOCATION: San Simon, AZ

POSITION SUMMARY: This position provides a wide range of complex Radiology and Ultrasound Service procedures at a technical level requiring no constant supervision of technical detail to assist in the diagnosis and treatment of patient diseases or injuries. Performs a variety of technical procedures that will require independent judgment, with ingenuity and initiative to apply prescribed ionizing radiation and Ultrasound for radiologic diagnosis. Applications include general radiography exams, ultrasound exams for obstetrical/gynecological, abdominal, vascular, small parts, musculoskeletal and cranial anatomy. Assumes responsibility for designated areas or procedures as required.

SCOPE OF WORK: This position is located within the Tohono O'odham Nation Health Care Medical Imaging TON San Simon Health Center. The work performed has a direct and substantial impact on the care and wellbeing of the patient. The incumbent receives administrative supervision from the Supervisory Radiology Technologist and the Clinical Director; however, as a technical authority on radiography and ultrasound, incumbent independently plans and carries out most activities and examinations as required.

MINIMUM QUALIFICATIONS:

- Registered Radiologic Technologist: Must complete at least two years of formal education in an accredited hospital-based program or a two- or four-year educational program at an academic institution and must pass a national certification examination.
- Two years of experience as a Registered Radiologic Technologist with at least one year of experience in diagnostic ultrasound.
- Basic Life Support for Healthcare.

--AND--

- ARRT Registered Radiologic Technologist.
- Must meet eligibility requirements for registration in Diagnostic Ultrasound by American Registry of Radiologic Technologists or by the American Registry of Diagnostic Medical Sonographers (ARDMS) through formal education and clinical experience as required.
- Basic Cardiac Life Support (BCLS) and Advanced Cardiac Life Support (ACLS) certifications are also desirable.
- Upon recommendation for hire a criminal background and fingerprint check is required to determine suitability for hire.
- Must possess and maintain a valid driver's license, (no DUIs or major traffic citations within the last three years).
- Must meet the Tohono O'odham Nation tribal employer's insurance requirements to receive a driver's permit to operate program vehicles.
- Based on the department's needs, incumbents may be required to demonstrate fluency in both the Tohono O'odham Language and English as a condition of employment.

POSITION SUMMARY: The incumbent is responsible for posting of third party (Medicare, Medicaid and Private Insurance) payments and adjustments to the accounts receivable ledger (RPMS) in the Patient Accounts Section.

SCOPE OF WORK: This position is located in the TONHC Hospital and Clinics Revenue Enhancement Branch/Central Business Office. The incumbent works under the general supervision of the Business Office Manager, or designee.

MINIMUM QUALIFICATIONS:

- Associate's Degree in Business, Accounting or closely related field and two years' specialized work experience in financial recordkeeping, or an equivalent combination of training, education, and work experience which demonstrates the ability to perform the duties of this position.
- Specialized experience in using Excel to create spreadsheets and prepare and update accounting information.
- Possess office automation skills with a typing proficiency of 40 words per minute.

--AND--

- Upon recommendation for hire a criminal background and fingerprint check is required to determine suitability for hire.
- Must possess and maintain a valid driver's license, (no DUIs or major traffic citations within the last three years).
- Must meet the Tohono O'odham Nation tribal employer's insurance requirements to receive a driver's permit to operate program vehicles.
- Based on the department's needs, incumbents may be required to demonstrate fluency in both the Tohono O'odham Language and English as a condition of employment.

Preference in filling vacancies will be given to (1) enrolled members of the Tohono O'odham Nation, (2) enrolled members of other nation's or tribes (3) other candidates. The Tohono O'odham Nation is committed to providing Equal Employment Opportunities.

CLOSING DATE: Open until filled

NOTE: To ensure consideration, apply within the first 10 working days of the opening date. If sufficient qualified applicants apply, the announcement could be closed at that time.

STATUS: Probationary/Permanent, Full-Time

HRS/WK: Exempt

DEPARTMENT: TON HC/Sells Hospital Facilities

JOB LOCATION: Sells, AZ

POSITION SUMMARY: This position is located on the Tohono O'odham Nation and requires work in a healthcare setting. Under limited supervision, plans, organizes, directs and provides healthcare cleaning services for the Tohono O'odham Nation Health Care (TONHC) system. Ensures housekeeping services provided are operated in an efficient and effective manner and in accordance with established policies, procedures regulations and protocol.

SCOPE OF WORK: Serves as a foreman over Housekeeping Services exercising full supervisory responsibilities. This position may require travel to one of the other health care facilities as needed to ensure quality housekeeping services are provided for the patient and staff. The incumbent must be able to work on their own with minimal supervision to accomplish the task. Oversight will be conducted as necessary to verify compliance with codes and standards. Incumbent works under the direct supervision of the Facility Manager. This position requires sensitivity to the TON culture.

MINIMUM QUALIFICATIONS:

- High School Diploma or General Education Diploma.
- Three years' specialized experience in custodial/housekeeping.
- One year supervisory experience.

--AND--

- Upon recommendation for hire a criminal background and fingerprint check is required to determine suitability for hire.
- Must possess and maintain a valid driver's license (no DUIs or major traffic citations within the last three years).
- Must meet the Tohono O'odham Nation tribal employer's insurance requirements to receive a driver's permit to operate program vehicles.
- Based on the department's needs, incumbents may be required to demonstrate fluency in both the Tohono O'odham Language and English as a condition of employment

Preference in filling vacancies will be given to (1) enrolled members of the Tohono O'odham Nation, (2) enrolled members of other nation's or tribes (3) other candidates. The Tohono O'odham Nation is committed to providing Equal Employment Opportunities.

JOB ANNOUNCEMENT

JOB TITLE: MEDICAL TECHNOLOGIST I

SALARY: \$26.25-\$32.78 PER HOUR, D.O.E, PLUS BENEFITS

OPENING DATE: October 17, 2016

CLOSING DATE: Open Until Filled

NOTE: To ensure consideration, apply within the first 10 working days of the opening date. If sufficient qualified applicants apply, the announcement could be closed at that time.

STATUS: Probationary/Permanent, Full-Time

HRS/WK: Non-Exempt

DEPARTMENT: TON HC/Laboratory Department

JOB LOCATION: Sells, AZ

Position Summary: Serves as a Medical Technologist in the Clinical Laboratory at Tohono O'odham Nation Sells Hospital, with the responsibility for performing a variety and full range of Medical Laboratory procedures including highly complex analyses and infrequently required tests; evaluating abnormal or unusual patient results; operating and maintaining complex laboratory equipment; and setting up and/or monitoring daily, weekly, or monthly quality control.

Scope of Work: This position is located with the Tohono O'odham Nation Sells Hospital. The Supervisory Medical Technologist or Section Lead usually outlines assignment parameter, deadlines, and priorities and provides advice on how to proceed when unusual problems or defects are encountered which cannot be corrected except by substantial modification of methods.

MINIMUM QUALIFICATIONS:

- Degree: medical technology, chemistry, or biology that included or was supplemented by at least:
 - Sixteen (16) semester hours of biological science of which one course was in microbiology and one course was in immunology. (NOTE: If there is no mention of immunology or immunobiology in the course title, the requirement for a course in immunology may be met by any course that covers the following topic areas: (1) definition and relationships of antigens and antibodies; (2) host-antigen interactions; (3) bursal and thymic influences on lymphoid cells; and (4) humoral and cellular response mechanisms.) The remaining biology courses must have been in general biology, zoology, or any of the areas listed below under "Evaluation of Education and Experience;"
 - Sixteen (16) semester hours of chemistry of which one course was in organic or biochemistry. The remaining chemistry courses must have been in general chemistry, qualitative analysis, qualitative chemistry, quantitative chemistry, physical chemistry, analytical chemistry, or any of the areas listed below under "Evaluation of Education and Experience;" and
 - Three (3) semester hours of college mathematics.

OR

- A full 4-year course of study that included or was supplemented by at least 12 months in a college or hospital-based medical technology program or medical technology school approved by a recognized accrediting organization. The professional medical technology curriculum may have consisted of a 1-year post-baccalaureate certificate program or the last 1 or 2 years of a 4-year program of study culminating in a bachelor's in medical technology.

OR

A combination of (1) at least 35 semester hours of biological science, chemistry, and mathematics as described in the first bullet point above and (2) additional appropriate education and/or experience totaling 4 years. This combination of education and experience must have provided knowledge of the theories, principles, and practices

"The Tohono O'odham Nation is an "Alcohol/Drug Free Work Place"

of medical technology equivalent to that provided by the full 4-year course of study described in A or B above. All science and mathematics courses must have been acceptable for credit toward meeting the requirements for a science major at an accredited college or university. Acceptable experience is responsible professional or technician experience in a hospital laboratory, health agency, industrial medical laboratory, or pharmaceutical house; or teaching, test development, or medical research program experience that provided an understanding of the methods and techniques applied in performing professional clinical laboratory work. Certification/licensure as a medical technologist (generalist) obtained through written examination by a nationally recognized credentialing agency or State licensing body is a good indication that the quality of experience is acceptable.

—AND—

- Bachelor's Degree in Medical Laboratory Technology
- Certification as a Medical Technologist (MT) by a nationally recognized credentialing agency or state licensing body such as ASCP or AMT.
- Must possess and maintain a valid driver's license, (no DUIs or major traffic citations within the last three years).
- Must meet the Tohono O'odham Nation tribal employer's insurance requirements to receive a driver's permit to operate program vehicles.
- Based on the department's needs, incumbents may be required to demonstrate fluency in both the Tohono O'odham Language and English as a condition of employment.
