FEDERAL ROUTE 24 ROAD CONDITIONS FOR OCTOBER 4TH PILGRIMAGE

- From Big Fields to Kupk, Federal Route 24 is **IMPASSABLE** by **VEHICLE**.
- There is standing water in the Vamori wash as well as East and West of the Sells/Pisinemo District line.
- The alternate route is to take Federal Route 21 to Federal Route 24 East to Kupk
- Setup your campsites or rest areas a safe distance from all roadways when stopping for breaks or overnight camping. For safety, avoid setting up your campsite in a blind spot from vehicle traffic.
- Road conditions can change rapidly and without warning especially during monsoon season.
- In some cases, as little as one foot of running water is enough to move a vehicle.
- Any amount of standing water and/or mud has the potential to strand a vehicle.
- Never attempt to cross a flooded roadway by driving or walking around barricades.
- It is safest to cross when the entire roadway is visible.
