TOHONO O'ODHAM NATION OFFICE OF THE TREASURER

RE: Transaction Privilege Tax

TRANSACTI ON PRTVILEGE TAX:

The Tohono O'odham Nation provides governmental services for the benefit of the Nation and its members. The Nation's Tax Code allows the Nation to raise necessary monies to help the Nation meet its obligations for these services and lo aid in defraying the necessary and ordinary expenses of the Nation. A Transaction Privilege Tax measured by the amount of volume of business transacted on the Tohono O'odham Nation was adopted.

Title 22-Taxation, Chapter 2-Transaction Privilege Tax, describes the purpose of the ordinance to regulate and license certain person(s) engaged in business on the Tohono O'odham Nation. The Ordinance No. 03-81, was enacted by Council on September 3, 1981, and was approved by the Papago Agency Acting Superintendent on September I0, 1981:

Pursuant to Section 7(A), of the Transaction Privilege Tax:

"...the tax levied by this ordinance shall be due and payable monthly on or before tile first day of the second mouth next succeeding the month in which the tax accrues, and shall be delinquent five (5) days thereafter."

PROCESS:

For both Contracting and Retail sales on or delivered on the Nation, the 5% Transaction Privilege Tax is applicable. The vendor is responsible for the tax.

For Contracting only there is a 35% deduction from Gross Proceeds for which the remaining 65% is taxable at 5%. The Contracting Tax Report will demonstrate this procedure.

For Retail the entire sale is taxable at 5%. For details please check our TPT Code, Title 22, Chapter 2.

Once a contract or purchase is complete, the Nation, District, department, or agency will issue payment to the vendor for the project or purchase. The contractor or vendor is then responsible for promptly remitting the tax payment to the Tohono O'odham Nation on the proper tax form.

If there are any questions concerning this process or assistance with any calculations, please do not hesitate to call the Office of the Treasurer.

General Instructions

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
 - 2. Certify that you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
