MEMORANDUM

TO: All Departments, Executive Branch
All Legislative Council Members, Legislative Branch
Judiciary Branch
All Districts
All Entities Operating on the Tohono O'odham Nation

FROM:  Christy Bautista, Interim TERO Director/Administrator
Tribal Employment Rights Office

RE: Indian Preference Certified Firms

DATE: May 2, 2012

Pursuant to the TERO Regulations Part 3.1(a), Every entity engaged in any business activity within the Tohono O'odham lands, including but not limited to, construction, minerals development, supplies, service, and retainer, shall give preference to firms certified by the Nation in any contract or subcontract to be awarded so long as 50% or more of said contract or subcontract is to be performed on the Tohono O'odham lands and so long as there are certified firms that are technically qualified and willing to perform the work at a reasonable price.

If the entity determines that certified firms lack the qualifications to perform all the work required under a contract or subcontract, the entity shall make a good faith effort to divide the work required into small portions so that the certified firms can qualify for portions of the work.

According to the TERO Regulations Part 3.1(b) the "Order of Preference" is as follows:

1. First preference shall be given to Indian preference certified firms, 51% or more of which are owned by O'odham and other local Indians.

2. If no first priority firms are available, preference shall be given to other Indian preference certified firms.
3. If no Indian preference certified firms are available, Indian and non-Indian joint ventures approved by TERO shall be given preference over wholly non-Indian owned firms or joint ventures.

An entity may obtain a list of firms certified as Indian Preference eligible by the Tohono O'odham Nation from the TERO Office in which TERO has identified such firms according to the order of preference. Attached is a revised list of firms certified by the TERO Commission.

The Tribal Employment Rights Office and Commission are available to provide presentations to your department if needed. If you have any questions, please contact TERO.
