RE: Office Closure Notice – Wednesday, May 10, 2017

On May 9, 2017 TOUA provided an update on the power outage affecting the entire main reservation, with the exception of the San Xavier and San Lucy Districts. It is expected that the power outage will continue until Wednesday, May 10, 2017.

As a result, the Executive, Legislative and Judicial branch offices will be closed on Wednesday, May 10, 2017 except for essential personnel and offices. The Nation's Department of Public Safety, which includes the Police Department, Corrections, and Office of Emergency Management, as well as hospital and health care facilities and other essential offices are fully operational, running on emergency generators. Essential employees are to report as usual to their duty station or as directed. Executive Directors, Directors, and Managers shall remain on standby. The Nation will provide more details as they become available.
