Acceptable Use Policy for Technology

The use of Circle of Nations technology and Internet access is a privilege, not a right. Students and staff are responsible for appropriate behavior while using school technology.

It is the Philosophy of Circle of Nations School that access to the Internet is necessary to provide electronic research skills that now are important to prepare citizens and future employees in today's Information Age. Access to the Internet will allow students and staff to research valuable information and allow them to communicate electronically.

The Internet also contains information that is inappropriate for student and staff use. The Circle of Nations School has taken precautions to restrict access to inappropriate material using an Internet content filtering system. Although staff will supervise the use of the Internet, we cannot guarantee that your child will not gain access to inappropriate material.

Access to school technology will be provided to users who agree to act in a responsible manner. Network storage areas shall be subject to the same scrutiny as other school property and facilities. Technology Managers may view files and communications to maintain the integrity of the system and ensure the appropriate and responsible use of school technology. Users of school technology agree that violations of the acceptable use policy will be subject to disciplinary consequences.

Charles Morin, Superintendent
Circle of Nations School

Dear Parent/Guardian,

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires the Circle of Nations School, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Circle of Nations School may disclose appropriately designated "directory information" without written consent, unless you have advised the School to the contrary in accordance with School procedures. The primary purpose of directory information is to allow the Circle of Nations School to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation program
- Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that publish the yearbook, etc. In addition, two federal laws require local education agencies receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings – unless parent/guardians have advised the school that they do not want their student's information disclosed without their prior written consent.

If you do not want Circle of Nations School to disclose directory information from your child's education records without your prior written consent, you must notify the school in writing prior to enrollment date of your student. Circle of Nations School has designated the following information as directory information:

- Student's name
- Participation in officially recognized activities and sports
- Address
- Telephone listing
- Weight and height of members of athletic teams
- Photograph
- Honors and awards received
- Date and place of birth
- Dates of attendance
- Grade level

If there are questions about your student's rights under FERPA, please contact the School Principal, at 701-642-3796, ext. 231, or at Circle of Nations School, 832 8th Street North, Wahpeton, ND 58075.

If you do not wish directory information about your student to be disclosed, please indicate on the attached form and return that form to the school prior to the enrollment date of your student.

Sincerely,

Charles Morin, Superintendent

* One dose of DTaP (pediatric diphtheria, tetanus, and acellular pertussis) vaccine must have been given on or after the fourth birthday. Only four doses are necessary if the fourth dose was administered on or after the fourth birthday. Three doses of Tdap (adolescent/adult tetanus, diphtheria, and acellular pertussis)/Td are required for children ages seven or older who were not previously vaccinated. Tdap should be used as the first dose followed by two doses of Td for children age seven or older not previously vaccinated.

† For polio vaccination, in all-IPV or all-OPV schedule: one dose must have been given on or after the fourth birthday. The final dose in the series should be administered on or after the fourth birthday and at least six months after the previous dose. If four doses are administered prior to age four, a fifth dose should be administered on or after age four. Only three doses of IPV are required if the third dose is given on or after the fourth birthday. Children born before August 2005 only need four doses separated by at least four weeks. These children do not need a dose after the age of four.

§ For the 2017-18 school year, two doses of varicella vaccine are required for kindergarten through ninth grade. If a child has a reliable history of chickenpox disease, the child is exempt from the vaccine requirement.

¶ For the 2017-18 school year, one dose of varicella vaccine is required of children attending tenth through twelfth grade. If a child has a reliable history of chickenpox disease, the child is exempt from the vaccine requirement.

Recommendations

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in [School District]. The application must be filled out completely to certify your children for free or reduced price school meals.

Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact [School/school district contact here---phone & email preferred].

PLEASE USE A PEN [NOT A PENCIL] WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here?

When filling out this section, please include all members in your household who are:

- Children age 18 or under and are supported with the household’s income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending [school/school system here], regardless of age.

A) List each child’s name. For each child, print their first name, middle initial and last name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.

B) Is the child a student at [name of school/school system here]? Mark ‘Yes’ or ‘No’ under the column titled “Student” to tell us which children attend [name of school/school district here].

C) Do you have any foster children? If any children listed are foster children, mark the “Foster Child” box next to the child’s name. Foster children who live with you may count as members of your household and should be listed on your application. If you are only applying for foster children, after completing STEP 1, skip to STEP 4 of the application and these instructions.

D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section may meet this description, please mark the “Homeless, Migrant, Runaway” box next to the child’s name and complete all steps of the application.
**STEP 2: DO ANY HOUSEHOLD MEMBERS (INCLUDING YOU) CURRENTLY PARTICIPATE IN ONE OR MORE OF THE FOLLOWING ASSISTANCE PROGRAMS: SNAP, TANF, OR FDPIR?**

If anyone in your household participates in the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or [Insert State SNAP here]
- Temporary Assistance for Needy Families (TANF) or [Insert State TANF here]
- The Food Distribution Program on Indian Reservations (FDPIR)

A) **IF NO ONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:**

- Circle ‘NO’ and skip to STEP 3 on these instructions and STEP 3 on your application.
- Leave STEP 2 blank.

B) **IF ANYONE IN YOUR HOUSEHOLD PARTICIPATES IN ANY OF THE ABOVE LISTED PROGRAMS:**

- Circle ‘YES’ and provide a case number for SNAP, TANF, or FDPIR. You only need to write one case number. If you participate in one of these programs and do not know your case number, contact: [State/local agency contacts here]. You must provide a case number on your application if you circled “YES”.
- Skip to STEP 4.

**STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS**

A) Report all income earned by children. Refer to the chart titled “Sources of Income for Children” in these instructions and report the combined gross income for ALL children listed in Step 1 in your household in the box marked “Total Child Income.” Only count foster children’s income if you are applying for them together with the rest of your household. It is optional for the household to list foster children living with them as part of the household.

**What is Child Income?**

Child income is money received from outside your household that is paid directly to your children. Many households do not have any child income. Use the chart below to determine if your household has child income to report.

FOR EACH ADULT HOUSEHOLD MEMBER:

Who should I list here?

When filling out this section, please include all members in your household who are:

- Living with you and share income and expenses, even if not related and even if they do not receive income of their own.

Do not include people who:

- Live with you but are not supported by your household’s income and do not contribute income to your household.
- Children and students already listed in Step 1

How do I fill in the income amount and source?

FOR EACH TYPE OF INCOME:

- Use the charts in this section to determine if your household has income to report.
- Report all amounts in gross income only. Report all income in whole dollars. Do not include cents.
  - Gross income is the total income received before taxes or deductions.
  - Many people think of income as the amount they “take home” and not the total, “gross” amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a “0” in any fields where there is no income to report. Any income fields left empty or blank will be counted as zeroes. If you write ‘0’ or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials have known or available information that your household income was reported incorrectly, your application will be verified for cause.
- Mark how often each type of income is received using the check boxes to the right of each field.

B) List Adult Household member’s name. Print the name of each household member in the boxes marked “Names of Adult Household Members (First and Last).” Do not list any household members you listed in STEP 1. If a child listed in STEP 1 has income, follow the instructions in STEP 3, part A.

C) Report earnings from work. Refer to the chart titled “Sources of Income for Adults” in these instructions and report all income from work in the “Earnings from Work” field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income.

What if I am self-employed?

If you are self-employed, report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.

D) Report income from Public Assistance/Child Support/Alimony. Refer to the chart titled “Sources of Income for Adults” in these instructions and report all income that applies in the “Public Assistance/Child Support/Alimony” field on the application. Do not report the value of any cash value public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only court-ordered payments should be reported here. Informal but regular payments should be reported as “other” income in the next part.
E) **Report income from Pensions/Retirement/All other income.** Refer to the chart titled “Sources of Income for Adults” in these instructions and report all income that applies in the “Pensions/Retirement/All Other Income” field on the application.

F) **Report total household size.** Enter the total number of household members in the field “Total Household Members (Children and Adults).” This number **MUST** be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household determines your income cutoff for free and reduced price meals.

G) **Provide the last four digits of your Social Security Number.** The household’s primary wage earner or another adult household member must enter the last four digits of their Social Security Number in the space provided. **You are eligible to apply for benefits even if you do not have a Social Security Number.** If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled “Check if no SS#.”

B) **Sign and print your name.** Print your name in the box “Printed name of adult completing the form.” And sign your name in the box “Signature of adult completing the form.”
