

Institute for Tribal Environmental Professionals 2020 Student Summer Internship

Apply now for an 8-week summer internship.

Spend your summer working with tribal organizations to address tribal environmental issues. The internships have a **technical, educational** or **policy** focus. We are offering **8 positions in air quality**. The internship program provides each student intern with a stipend, and limited housing and travel allowances. Host sites are selected from tribal environmental organizations, government offices, the US Environmental Protection Agency (USEPA) and others.

Eligible students must meet the following:

- US Citizen
- Identify as Native American/Alaska Native
- Full-time undergraduate or graduate college student during Spring 2020 (12 hours undergrad, 9 hours grad) at any tribal college, college or university
- Have at least a 2.5 cumulative GPA
- Majoring in an environmental or related field like science, engineering, planning, policy, law, management, political science, anthropology, or health
- Interested in pursuing an environmental career after graduating
- Proficient verbal and written communication skills
- Strong interest in working with Native American tribes or topics

Please register at nau.edu/itepinterns for more information.

For details about how to apply see website. You can also provide your preferences for the host sites you find interesting after January 24, 2020.

Deadline: February 28, 2020
