Getting the community vaccinated and boosted is the best way to fight the COVID-19 pandemic. TONHC services will continue to adapt to the COVID-19 pandemic. We thank the community for their understanding and assistance. Our current services include:

### Emergency Department

- If you have a medical emergency, please call 911 or go to the Emergency Department (ED). We are trying to keep the ED available for true urgencies.
- Please use our other services for non-emergency issues.

### COVID-19 Testing

- Get tested with or without symptoms of COVID-19 or if you've had an exposure.
- Call your clinic when you are concerned and to ask when is the best time to get tested.

### COVID-19 Testing locations and times:

- Sells Hospital: Mornings Monday, Tuesday, Thursday and Friday 8:00 am – 10:00 am by appointment only.
- San Xavier Health Center: Monday, Tuesday, Thursday and Friday 8:00 am - 4:00 pm, Wednesday 1:00 pm to 4:00 pm
- San Simon Health Center: Monday, Tuesday and Thursday 8:30 am – 10:00 am by appointment only.
- Pima County free testing centers: [Pima County COVID-19 Testing Centers - Pima County](#)  
Testing is not intended for:
  - Occupational or return to work reasons.
  - Exposure testing if you have had a positive COVID-19 test in the last 3 months.

### COVID-19 Vaccines will continue to be offered Monday-Friday at all clinic sites.

- Call your clinic for an appointment.
- San Simon Health Center: No vaccines on Wednesday.
- Due to lower demand, we will stop holding the larger vaccination events. Vaccinations will be offered through clinic appointments at all TONHC health care sites.
- Find a vaccination site anywhere in the USA: [www.vaccines.gov](http://www.vaccines.gov) or 1-800-232-0233
