

## **Native American Water & Land 2022 Student Summer Internship**

Spend your summer working on tribal water and land issues. Internships are available with tribal organizations, state and federal agencies, or water or land management NGOs. The internships have a **research, technical, educational, or policy** focus. We are offering approximately 10 internships. You can apply for all the sites with one application. The internship program provides each student intern with a \$4,800 stipend for 8 weeks or a \$6,000 stipend for 10 weeks. Travel and housing stipends are available for interns who must relocate for the internship. We anticipate some internships may be virtual, with the intern telecommuting from their home location.

### **Students must meet the following criteria:**

- U.S. Citizen
- Full-time undergraduate or graduate college student during Spring 2022
- Have at least a 2.5 cumulative GPA
- Majoring in an environmental, land, or water management field—e.g., environmental science, engineering, hydrology, planning, public policy, geography, law, agriculture
- Interest in pursuing a career in water or land management after graduation
- Proficient verbal and written communication skills
- Strong interest in working with Native American tribes
- If you need an exception, contact EEOP- INTERN@nau.edu

The host site project descriptions will be posted on the website after **April 15** for review. Interns will select which host sites receive their application. Applications are due by **April 29, 2022**.
