## **Office of Emergency Management**

The Department of Public Safety announces Anthony Manuel to the position of Interim Administrator for the Office of Emergency Management effective July 29, 2022.

Mr. Manuel has served in the Office of Emergency Management for over 9 years, with a combined 25 years of service to the Nation. Mr. Manuel has been an integral part of many emergency response efforts on the Nation throughout his career. His experience will help him lead the program and provide continuity of operations to continue the needed services for the members of the Nation.

We welcome Interim Administrator Anthony Manuel to his new assignment and support him in this position for the Tohono O'odham Nations Office of Emergency Management Program.
