DATE: September 19, 2022

RE: Recreation Centers- Face Coverings Required by Executive Order

The Tohono O'odham Nation Recreation Centers are now fully open. Masks and hand-sanitizing requirements are still in place. All Tohono O'odham Nation Recreation Centers are Executive Branch facilities.

Per Executive Order No. 2022-02, Section No. 4, Face Coverings: Regardless of vaccination status, individuals are required to wear face coverings inside Executive Branch facilities.

We anticipate your cooperation to comply to the Executive Order. We want everyone to have an enjoyable experience while utilizing all Recreation Centers.

Thank you, "Mask Up", and be safe.
