Tohono O'odham Nation Fire Department

Vendor Information Checklist

It is the commitment of the Tohono O'odham Nation Fire Department to help provide a safe environment for both vendor operators and the general public. In order to achieve this, the following checklist recommendations have been established to assist with fire safety when cooking devices are used at outdoor special events.

Booth Construction and Location:

	Booths shall be constructed in a manner to provide necessary structural integrity.
	Fabrics or membranes covering cooking booth shall be composed of flame-resistant material.
	Cooking booth shall have an exit width of 3 feet and height of 6 foot 8 inches.
	Exits shall remain clear and free from obstructions at all times?

Cooking Equipment:

	Open flame cooking devices shall not be used inside or within 20 feet of booths, tents, canopies or membrane structures.
	No open flame cooking device shall be used inside cooking booth or under a combustible overhang.
	Deep fat frying is any cooking operation where the product floats or is submerged in hot oil during the cooking process. Not for use inside cooking booth.
	Keep surrounding areas clean.

LPG (Liquefied Petroleum Gases):

	The maximum size of LPG tanks to be used within a cooking booth is 20 pounds
	LPG tanks shall have a shut off valve and tank shall remain closed when not in use.
	LPG tanks shall be protected from damage and secured in the upright position and stored outside cooking booth.

Fire Extinguishers:

	Cooking operations that do not use vegetable or animal fats and oils - 2A:10BC rated fire extinguisher is recommended.
	Cooking operations that involve the use of vegetable or animal fats and oils - Class K rated fire extinguisher is recommended. Extinguishers should be unobstructed and shall not be obscured from view.
	Do you know how to use and extinguisher?

Electrical Set-ups:

	All electrical cords and plugs shall be in good condition and protected from foot traffic.
	Never over load electrical outlet, extension cord or power strip. Extension cords shall be of the 3-wire grounded type.

This information checklist provides recommendations for exterior cooking booths. Additional fire and life safety recommendations may be necessary depending on the particular situation. Fire department official will inspect venues either before or during the event. If you have any questions or require further assistance please call (520) 383-8276. Recommend vendor follow-up with Solid-Waste for waste material storage.
