Attention Tohono O'odham TERO Clients

Available Positions

2- Journeyman Plumbers \$30.00

Minimum 2-3 years' plumbing experience. Install PEX, PVC, and copper piping for water, waste, and vent systems according to residential code. Install sinks, toilets, water heaters, and shower valves. Perform pressure tests on water and gas lines to ensure system integrity prior to final inspection.

2- Journeyman Electricians \$30.00

Must be capable of transitioning between early-stage rough-ins and high-detail electrical trim phases. Measure, cut, and bend conduit, pull wire, and install electrical boxes and panels in new residential frames. Install outlets, switches, light fixtures, and appliances. Ensure final connections meet NEC standards.

National background check & Pre-employment drug screening required
