3-Journeyman Electricians \$35.00/HR

See attachment for job description, position is estimated 3 months and 60HR/WK, may work weekends pending schedule

Must have transportation to the jobsite, general tools for position, David Bacon Wage Determination Scale

Company: GDL Electric, LLC

Project Title/Location:

Santa Rosa Ranch School New Building Project K-8 Project, Santa Rosa Ranch Community/Schuk Toak District

CLOSING DATE: Friday February 20, 2026 at 9:30AM

INTERVIEW DATE: TBD via GoTo (virtual)

Job Description - Journeyman Electrician

Overview:

GDL Electric LLC is seeking qualified journeyman electricians to lead and perform electrical installations on residential, commercial, and industrial projects. The journeyman electrician is responsible for executing work in accordance with NEC standards and supervising assigned apprentices to ensure quality, safety, and efficiency on the jobsite.

Hiring Process:

After the application is reviewed and approved, journeyman electricians will meet with the project supervisor to review project-specific responsibilities and safety protocols. Journeymen are expected to lead by example and uphold company standards at all times.

Reporting Structure:

Journeyman electricians report directly to the project supervisor or foreman. They are also responsible for the performance and training of the apprentices assigned to them on a per-project basis.

Primary Duties and Responsibilities:

- Install conduit (EMT, PVC, MC, flex, etc.) per plans and code
- Pull and terminate electrical wire and cables
- Install, wire, and troubleshoot panels, transformers, disconnects, and control devices
- Mount and connect electrical boxes, switches, receptacles, and lighting fixtures
- Review blueprints and electrical diagrams to ensure proper installation
- Supervise and train assigned apprentices
- Coordinate with other trades and site supervisors to avoid conflicts and meet deadlines
- Ensure compliance with all applicable codes, company policies, and job specifications

Safety Requirements:

- Attend and lead weekly safety meetings
- Ensure all assigned laborers follow PPE and safety guidelines
- Maintain a clean, organized, and hazard-free work area
- Follow all OSHA regulations and report unsafe conditions to the supervisor

Minimum Requirements:

- Valid journeyman electrician license (where required by jurisdiction)
- Minimum of 4 years of verified field experience
- Proficient in reading blueprints, wiring diagrams, and technical specifications
- Strong understanding of the NEC and ability to apply code requirements in the field
- Ability to lift 50+ lbs, work on ladders and in elevated positions
- Strong communication and leadership skills
