MOLINA ELECTRIC LLC

ELECTRICAL APPRENTICESHIP PROGRAM

Molina Electric LLC is seeking motivated individuals interested in developing a long-term career within the electrical construction industry. This apprenticeship opportunity is designed to provide hands-on field experience, technical electrical training, operational knowledge, and advancement opportunities within a professional electrical contracting environment. Apprentices will work directly alongside experienced electrical personnel while gaining valuable industry knowledge in commercial, residential, and infrastructure electrical operations.

Position Title: Electrical Apprentice

Employment Type: Full-Time

Company: Molina Electric LLC

Reports To: Field Supervisor / Electrical Foreman

Essential Duties and Responsibilities

- Assist with electrical installations, conduit systems, wiring, and electrical infrastructure projects.
- Support experienced electricians and field supervisors during commercial and residential electrical projects.
- Assist with underground utility preparation, jobsite organization, material handling, and equipment setup.
- Maintain compliance with company safety policies and jobsite requirements.
- Operate and maintain electrical tools and construction equipment in a safe and professional manner.
- Assist with project cleanup, organization, and daily operational support tasks.
- Learn electrical trade skills, blueprint reading, field layout procedures, and installation standards.
- Participate in hands-on field training and professional development opportunities.
- Maintain professionalism, reliability, punctuality, and positive communication on all jobsites.

Minimum Qualifications

- Strong work ethic and willingness to learn the electrical trade.
- Ability to work outdoors in varying weather conditions.
- Ability to lift and carry construction materials and tools.
- Reliable transportation preferred.
- Ability to follow instructions and work effectively within a team environment.
