**TOHONO O'ODHAM NATION EXECUTIVE OFFICE STATEMENT ON NURSES WEEK**

SELLS, Ariz. – The Tohono O'odham Nation Executive Office honors the dedication and passion of our nurses. Today marks the end of a weeklong celebration of contributions made by nurses. Nurses Week is a reminder of their commitment to the health and well-being of our tribal members, caring for our elders and welcoming newborns that are just starting their journey through life. Nurses make our community stronger, healthier, and happier. As Chairman and Vice Chairman of the Tohono O'odham Nation, we would like to thank all of our wonderful nurses and wish them well as they continue to serve our community.
