

# **2019 Tohono O'odham Future Health Leaders Institute**

**SEEKS CAMP FACILITATORS JUNE 17TH-28TH, 2019**

**Application Deadline: MAY 10th, 2019**

## **Description:**

The Tohono O'odham Future Health Leaders Institute (F.H.L.I.) is seeking motivated Native American undergraduate and graduate students to join us as program facilitators. Facilitators will help high school students navigate program activities as they pertain to health careers and traditional O'odham Himdag.

This is a very exciting opportunity for college students to explore working with Tohono O'odham youth as well as gain experience in coordinating projects, all while exploring health and culture.

## **General Information:**

The FHL Institute is an intensive 2 week, June 17th-28th, health and cultural camp where high school students interested in health careers reside in the dorms located at Tohono O'odham Community College.

Partnering organizations include Southeast Arizona Health Education Center, Tohono O'odham Health & Human Services Department, Tohono O'odham Community College, and the University of Arizona AHEC.

Camp facilitators will receive a stipend in the amount of \$800 when camp concludes. All meals and boarding will be provided.

## **Responsibilities:**

- **Must be** available for entire duration of camp (June 17th-28th)
- **Must be** able to reside on campus with participants for duration of the camp
- Attend 2 preparation meetings in the month leading up to date of camp
- Provide input on camp activities and procedures
- Chaperone students during their stay in dorms at TOCC
- Administer one presentation pertaining to higher education, leadership skills or team building activity
- Help to facilitate various activities
- Serve as a positive role model and engage with program participants
- Assisting with clerical duties

## **Eligibility:**

- Current undergraduate or graduate students
- Native American decent
- Interest in working with Native American Youth
- Excellent presentation skills
- Must have proof of most recent TB Test (within the last 12 months)
