Sheila L. Chavez, Manager
Solid Waste Management

CC:

Dwayne Lopez, Executive Director
Natural Resources Department

Re: Concrete Disposal Services

The Solid Waste Management Program is dealing with an overabundance of concrete that was brought in by construction companies. The Solid Waste Management Program will no longer accept concrete from contractors or builders. Contractors and builders will be responsible for transporting and disposing of concrete off the Nation.

Solid Waste Management will continue to serve Districts and members of the Nation with projects that include the collection, transportation and disposal of concrete off the Nation.

Solid Waste Management appreciates your understanding and apologizes for any inconvenience.

Concurrence:

Ned Norris Jr., Chairman
Tohono O'odham Nation
