Nov. 14, 2025

Greetings All,

It's almost that time of year again and we are excited to announce that the Credit & Finance Program will be hosting the 11th Annual Business Expo at the 87th Annual O'odham Wapkiel Ha-Tas on Saturday, February 7, 2026, 9am to 3pm. We invite all O'odham business owners to participate and share information about your business with the public. Our program goal is to promote all O'odham owned businesses and hosting the Expo is one avenue of fulfilling our goal.

The Expo will include the following:

- **Informational Table:** One table and two chairs will be provided for your use to distribute your business information.
- **No Business Transaction:** Will be allowed during the event.
- **Speaker(s):** You will have the opportunity to share information about your business. How you got started and where your business is today.
- **Donation of Raffle Item:** We respectfully request a raffle item from your business; the item will be raffled off to the public. Please provide a tag with your business name and address. Please have your donation to the Credit & Finance Office by Friday, January 30, 2026.

This is a one-day event that gives you the opportunity to come and network with other business owners, meet the public and showcase your business. If you are interested in hosting a table, please fill out the registration application and send it to Credit & Finance Program. Should you have any questions please contact our office at the number listed above.

Respectfully,

Maria Ackerman

Maria Ackerman, Manager
Credit & Finance Program
