The Equipment Operator – Group 1 is responsible for operating light to mid-range construction equipment, primarily a mini excavator (12,700 lbs or less; comparable to Caterpillar 305), in the demolition and site preparation of residential structures. This role includes demolition of masonry buildings and concrete slabs, debris separation and loading, selective excavation of buried utilities, and rough grading of the demolition site, all while maintaining strict compliance with project specifications, safety standards, and federal Davis-Bacon requirements.

Primary Duties & Responsibilities

- Operate mini excavator (≤ 12,700 lbs) to demolish cinder block residential structures, including concrete slabs and foundations.
 - Separate demolition debris for proper disposal and recycling.
 - Load debris into dump trucks and roll-off dumpsters safely and efficiently.
 - Perform selective excavation of buried utilities when required.
 - Conduct rough grading of demolition areas upon completion of removal operations.
 - Perform daily equipment inspections and comply with all safety and site regulations.
 - Coordinate work activities with supervisors and crew members.
 - Maintain accurate daily work records and comply with certified payroll and Davis-Bacon documentation.
-

Workplace Conduct & Safety Policy

- This position is compensated as a 1099 independent contractor.
 - No smoking or tobacco use of any kind is permitted on the job site.
 - The job site is strictly alcohol- and drug-free.
 - Any use of marijuana in any form is strictly prohibited before, during, or after work hours while assigned to the project.
 - Violation of any conduct or safety policy is grounds for immediate removal from the job site and termination of contract.
-

Required Qualifications

- Proven experience operating mini excavators in demolition environments.
- Knowledge of demolition methods for masonry and concrete.
- Strong commitment to safety and compliance.
