

TOHONO O'ODHAM NATION OFFICE OF THE CHAIRMAN AND VICE CHAIRWOMAN

Verlon M. Jose
CHAIRMAN

Carla L. Johnson
VICE CHAIRWOMAN

April 27, 2026

The Tohono O'odham Nation is seeking Requests for Funding Proposals (RFP) from Arizona cities, towns, counties, and non-profit organizations for our 2026 revenue sharing program. More than 500 projects have been funded since the inception of this program in 2003. We're honored to have impacted so many communities over the past two decades.

Gaming revenue is an important source of funding for so many in our state. When Arizona voters passed Proposition 202 in 2002, it allowed the continuation of limited Indian gaming on tribal lands. This meant Arizona tribes could continue to address the desperate needs that exist on tribal lands, including strengthening public safety, improving the health and well-being of tribal members, opening up educational opportunities, and so much more.

Under Proposition 202, the State of Arizona also receives a portion of the gaming revenue, which is used to benefit public education, environmental programs, and other needs. Of the revenues shared, 12 percent is made available to cities, towns, or counties for a purpose benefiting the general public through either direct distribution to the local governments or in the form of a deposit to the State of Arizona's Commerce and Economic Development Commission's Local Community Fund. This RFP is soliciting proposals for this component of Proposition 202.

Attached are the specific criteria and timelines the Tohono O'odham Nation has set forth for identifying funding recipients. *Please read through the RFP carefully prior to submitting a proposal to ensure all components are adequately fulfilled.* For any questions about the grant process, please email 12Grants@tonation-nsn.gov or contact Matt Smith at 520-907-1234.

Sincerely,

A handwritten signature in black ink that reads "Verlon M. Jose".

Tohono O’odham Nation’s Request for Proposals for the Arizona Revised Statute 5-601-02 12% Gaming Distribution

Background

In 2002, Arizona eligible voters approved Proposition 202, which implemented a new requirement that Tribal/State Gaming Compacts must include a provision that the compacting tribe would contribute a portion of its annual net gaming revenues (the “Annual Contribution”) for the benefit of the general public. Pursuant to Proposition 202, each tribe may determine the recipients of 12 percent of its total Annual Contribution (the “12% Payments”). For fiscal year 2026, the Tohono O’odham Nation has chosen to distribute 12% payments directly to local governments and non-profit organizations.

Proposal

- **Proposals are limited to four pages in length, typewritten in 12-point font.** If the proposal is more than four pages, only the first four pages will be considered. Budgets are required and therefore will be counted as part of the four pages. Attachments, such as photos, are not considered as one of the four pages.
- **All proposals must be emailed to 12Grants@tonation-nsn.gov no later than June 12, 2026.** Please use your organization’s name in the subject line followed by “proposal.” For example: Tohono O’odham Nation Proposal.  - b) Describe the population who will benefit from the proposal if approved.

 - d) List any other funding requests that have been made for this or substantially related proposals and provide the status of those requests.
 - e) Indicate whether the entity has previously received a 12% distribution from the Tohono O’odham Nation or other Arizona tribes, along with the amount and date awarded.
 - f) Identify a designated contact person and alternate contact person for follow-up. Include the following information for each contact person: e-mail address, phone number, mailing address, and fax number.

A letter from the governmental entity acknowledging its agreement to work with the non-profit is not necessary for the initial proposal. However, it is recommended that non-profit organizations contact the government entity they plan to work with and secure approval.
