Company: Halo Electric

Project Title-Tohono O'odham Nation Legislative Building

Project Location-Sells Community/Sells District

CLOSING DATE: Monday June 08, 2026 at 3:00PM

INTERVIEW DATE: TBD

(Interviews will be conducted virtually via Microsoft Teams)

Job Overview

As a Journeyman/Journeywoman Electrician, you will play a pivotal role in ensuring the safe and efficient operation of electrical systems across various settings. Your expertise will be essential in both commercial and industrial environments, where you will install, maintain, and repair electrical systems while adhering to the National Electrical Code (NEC) and safety regulations. Join us in powering up projects that make a difference!

What you'll do

- Install, maintain, and repair electrical systems in compliance with NEC standards.
- Troubleshoot and resolve issues related to high voltage, low voltage, and programmable logic controllers.
- Read and interpret blueprints, schematics, and technical drawings to execute projects accurately.
- Utilize hand tools and power tools effectively for various tasks including renovation and construction work.
- Collaborate with construction teams on-site to ensure seamless integration of electrical systems into building projects.
- Conduct inspections using an ohmmeter and other testing equipment to ensure system functionality.
- Provide guidance and mentorship to apprentices or less experienced electricians on the team.

Basic qualifications

- Proven experience as an industrial electrician or commercial electrician.
- Familiarity with frame carpentry and maintenance person tasks is a plus.
- Strong understanding of electrical principles, safety protocols, and best practices.

Preferred qualifications

- Experience working on construction sites with hands-on electrical installation experience.
- Ability to read schematics and blueprints effectively.
- Knowledge of renovation processes related to electrical installations.

Date of Application: _____

Halo Electric
